SUMMARY

Videographer and editor with 3+ years across events, brand content, and social-first storytelling. Media Head at ITIHA (including concert coverage), freelance SMMA for XDrive, content creator at Calhin Media, and mentor to 60+ students. With a Computer Science background, I pair cinematic craft with tech: photo-editing pipelines, n8n automation, and AI-assisted editing workflows.

SKILLS

Video Editing: Adobe Premiere Pro, After Effects, cut rhythm and pacing, transitions, sound design and audio sync, reels and short-form editing

Colour & Photo: Colour grading, cinematic looks, Photoshop, Lightroom, RAW photo editing (Sony ARW)

Videography: Sony A7 IV, prime lens, gimbal stabilisation, event and concert coverage, car videography, composition and lighting

Content & Social: Social media content creation, SMMA, reels and posters, brand storytelling, short-form content strategy

AI-Assisted Creative Workflow: AI video and image tools (Higgsfield), AI-assisted editing, Claude and ChatGPT for scripting, prompts, and ideation

Automation & Tech for Media: n8n workflow automation, Python (rawpy, rembg, PIL, NumPy) for batch RAW photo editing and background generation, REST APIs, webhooks

Leadership & Mentoring: Media team management (ITIHA), mentored 60+ students, client communication, freelance project delivery

Tools: Premiere Pro, After Effects, Photoshop, Lightroom, Sony A7 IV, gimbal, n8n, Higgsfield

EXPERIENCE

Media Head, Core Videographer & Editor | ITIHA College Fest

- Led the entire media team and managed the fest's photo and video coverage from planning to delivery
- Shot and edited the concert, plus event highlights and promotional content for social media
- Handled shoot planning, crew coordination, colour grading, and final edits under live-event deadlines

Freelance SMMA & Content Creator | XDrive (premium car selling)

- Created cinematic car videos, reels, and posters to showcase premium vehicles
- Managed social media content for the brand, from shooting to editing to posting
- Delivered content built for social-first engagement and a polished brand look

Content Creator | Calhin Media Pvt

- **Produced and edited video content for brand and social media platforms, covering the full workflow from shooting and cutting to colour grading and delivery**
- **Built an n8n automation pipeline for automated post generation, cutting the manual work of creating social media content**
- **Automated timing updates across social media platforms, so posts and schedule changes went out on time without manual effort**
- **Developed a consistent cinematic editing style across projects**

Mentor, Video Editing | Tharun Speaks Academy

- **Mentored 60+ students in video editing and content creation**
- **Taught editing workflows, rhythm, colour, and sound, and gave feedback on student projects**
